

Tarbut V'Torah

Connecting

Minds, Hearts, Hands and Souls

Dear TVT family and friends:

Welcome to our TVT website! We are making history with this journey to Poland and Israel. We are sending one of the largest groups of students in recent history!

Having joined the group last year in Poland, I can attest that this is a life-changing trip. Our students will return with passion and commitment. Last year we sent 14 students, this year 45!

This site will keep you abreast on the day-to-day happenings in both Poland and Israel. In order to ensure that our kids have a meaningful and secure experience, we have selected a premiere agency, Oranim, to lead our kids on this journey.

As principal of Tarbut V' Torah, I am proud of our entire community in their support for this great endeavor.

Here at Tarbut V'Torah we are proud to be able to send our kids on the most powerful, historical journey that provides the ultimate educational and life experience.

Todah Rabah and Le'Chaim!
